

House Rules

Please help Deutschstunde run safely and smoothly.

A large number of people attend lessons and use the facilities at St. Christophorus and the PLC each week. We ask for your help in ensuring that the rules below are observed so that Deutschstunde works well for everyone. Terms & Conditions apply to all families participating and enrolled in this program.

For a full version of the T&C please check our website or ask us for a hard copy.

Parents are responsible for supervising their own children.

We are a community that believes in ensuring the safety of staff, parents, helpers, guests and children. We respect others and their property. We also ask that adults remind other people's children of the rules below if danger is present.

- Children must not play in the car park in front of the church, behind the church, not in the toilets or in the entry area.
- Outside the hall, children are only allowed in the passage between the hall and the church.
- Inside the hall, children are not allowed on the stage, in the kitchen, on the stairs or on the upstairs gallery.
- No running games are allowed inside the hall.
- School-age children must not ride on the small play vehicles. These toys are for preschool children only.
- Parents have the responsibility of ensuring the safety of their children when going to and from Presbyterian Ladies College (PLC) school grounds, including the crossing of College Street, and on the grounds of the PLC where children cannot be left unsupervised. We are guests at the PLC.
- All food and drinks must be paid for.
- For safety reasons, access to the kitchen is generally limited to people assisting with meals and clean-up.
- Parking spaces in front of the church are limited to teachers and organisers, the Pfarrer and for possible emergency vehicle access.

Thank you for your help.
